Op. 10

May it please your Royal Highness

Your Permission to lay these my Musical productions at your Feet, inspires me with a Gratefull Sense of the High Honour, and gives me a pleasing (tho' distant) hope of meriting your further favour and protection.

Yet conscious of my incapacity to produce a performance (equal to my wishes and endeavours) to Entertain y^r Royal Highness; I should tremble to approach you with these Trifling Compositions, but being well assur'd that the Severity of your Judgment to condemn, is not so prevalent as the Sweetness of your Disposition to pardon; I shall presume to hope your forgiveness to one whose utmost Ambition is to Subscribe himself

Your Royal Highness's
most Devoted and most
Dutifull Servant

W^m De Fesch.
